

Sketches of Potential Sentencing Grids

		Offender Score					
		0	1	2	3	4	5
Class A	SL 4						
	SL 3						
	SL 2						
	SL 1						
Class B	SL 4						
	SL 3						
	SL 2						
	SL 1						
Class C	SL 4						
	SL 3						
	SL 2						
	SL 1						

- This idea incorporates the use of the current offense classification like in the Option #2 grid in the SGC's SRA Review report.
- Similar to juvenile grid which includes the Juvenile Disposition Offense Category.
- Allows for variation within each classification level, similar to what the Option #2 grid proposed.

		Offender Score				
		0	1	2	3	4
Violent Offenses	SL 4					
	SL 3					
	SL 2					
	SL 1					
Non-violent Offenses	SL 4					
	SL 3					
	SL 2					
	SL 1					

- This idea is based on the data showing most non-violent offenses are found in lower seriousness levels with lower presumptive ranges.
