- 1 Statute still states sex offenses, felony DUI, felony DUI-PC will always be included regardless of class or violent category
- 2 Statute still exempts offenses categorized as Crime Against a Person (with few exceptions) from being vacated
- 3 Following inchoate offenses remain class A: Murder 1/2, Arson 1, Child Mol 1, Indecent Lib w/Force, Rape 1/2, Rape of a Child 1/2
- 4 Conspiracy to commit Murder 1 remains class A offense

Determinate Plus = offenses are specified in statute, not referred to by class

NOTE: This provides functions that reference offense classes only. This does not include the specific offenses included in these related statutes. Many of the class A functions are related to a reference to the Violent offense category, in which all class A's are included.
